1.	Module 9: Discipline Management System	3
----	--	---

1. Module 9: Discipline Management System

1.1 Introduction

The Discipline Management Module shall provide a controlled, transparent, and auditable system to manage employee misconduct. The system shall enforce disciplinary actions in compliance with the bank's HR policies, regulatory requirements, and collective agreements. The module shall ensure consistency, accountability, and traceability across all disciplinary processes.

1.2 Purpose

The purpose of the Discipline Management Module shall be to ensure consistent and fair enforcement of disciplinary actions, maintain complete auditable records of all disciplinary cases, automate payroll deductions for penalties, and provide reporting on discipline trends and financial impact.

1.3 Business Rules

The Discipline Management Module shall operate under the following business rules:

- **Offense Levels:** Level 1 (Critical - Dismissal), Level 2 (Very High - Final written warning + 20% penalty), Level 3 (High - Second written warning + 10% penalty), Level 4 (Moderate - First written warning + 5% penalty), Level 5 (Minor - Recorded verbal warning).
- **Suspension:** Maximum 30 Working Days; With Pay or Without Pay.
- **Appeal Window:** 10 Calendar Days from receiving decision notice.
- **Policy Compliance:** System shall validate that proposed actions align with policy before execution.
